Optional Symposium Events

A reception cruise will be held Monday, September 24, 5:30-7pm. Advanced registration by August 24 is required. See http://fdab.gsfc.nasa.gov/live/Home/issfd2007/cruise.html for details.

A symposium dinner will be held Wednesday or Thursday, September 26 or 27. You will be able to get more information and signup for the dinner at the symposium.

An additional fee will be required for all optional events.
The final event schedule will be posted at the symposium website in August.

E-mail completed form to Lynne.R.Branch-Foster@nasa.gov, fax to 301-286-0369, or mail to Lynne Foster, Goddard Space Flight Center Code 595, Greenbelt, MD 20771, USA

There is no registration fee for this conference. However, conference attendance will be limited and pre-registration is required. Priority for conference registration for out-of-town attendees will be given to those that have reserved rooms at one of the three historic inns. Priority for conference registration for local attendees will be given to those presenting papers.

Additional information can be found at the symposium website
